Done with the paperwork? Now for the boxes.

What Stow Haven is:

A family moving and storage app that tracks every box you pack — and what's inside it.

1. Snap

Take a photo of what's in each box as you pack.

2. Tag

Label the box with a name, a room, or a status.

3. Find

Search by name, photo, or category — even months later.

No more digging through ten boxes to find the one thing you need.
